

Limitations of Warranty

This warranty shall not apply under the following conditions:

- This warranty does not cover the main chassis or any other parts provided by the original vehicle manufacturer. It only applies to the EPK (Electric Propulsion Kit).
- The warranty of EPK components that are repaired or replaced lasts only until the end of the original warranty period.
- Damage to EPK parts & related components caused by an accident, misuse or negligence.
- Any scooter parts that wear out or get old naturally are not covered by the warranty.
- Parts & consumables like Brake liners, Brake pads, Brake disks, Brake drums, tyre bushes, rubber parts, grommets, seals, oil suspension system, grease & fasteners will not be covered under warranty.
- Improper maintenance, misuse, abuse, accidents, thefts, flooding, fire or racing, competing with the scooter, using for commercial purposes, or using for any illegal activities can damage the scooter & void the warranty.

- Any incidental, remote, indirect or consequential damages, resulting in loss of scooter use or commercial loss from using the scooter, are not the company's responsibility.
- The company is not liable for any delay in servicing due to reasons beyond the control of the company or any authorised conversion points.
- The company may modify or improve the EPK in the future at any time without prior notice and without any obligation to install the same.
- This warranty is the sole warranty for the Starya's retrofitted scooters from the company & no employee is allowed to alter or enhance this warranty. The company does not accept any oral warranty from any dealer, agent or an employee.
- The company reserves the right to the final decision in all warranty matters.

WARNING:

To maintain the validity of the warranty, the vehicle must be serviced at Starya Authorized Conversion Points only at all times.
